UPDATE ON CITY SERVICES

Please note that with the Governor's "Stay at Home" Order, most city services are still considered essential services. Moving forward over the next two weeks, we will continue to provide most of our city services to the public as we have these past couple of weeks.

In an effort to encourage that the public "Stays at Home", and to ensure we are able to provide our essential services into the foreseeable future, we will be adjusting some of our staffing schedules moving forward. We will continue to have controlled access to the City Center along with many of our other public facilities. Please note that city staff will still be performing many city functions and the public is being encouraged to contact us by phone or email if you have any questions or are in need of anything.

Here are some of the changes that will be occurring moving forward:

Hutchinson Motor Vehicle Department (DMV) – Effective at 11:59 p.m. on Friday, March 27, the State is closing down all DMV services until at least 11:59 p.m. on Friday, April 10. Please note that staff will not be doing any processing of tabs that were mailed in or dropped off and will not be available to answer the phones or email.

Creekside Soils – Creekside Soils will continue normal operations. However, Creekside will not be changing to summer hours on April 1 as they normally would. They will be continuing with their winter hours of 8:00am – 5:00pm, Monday – Friday and will be closed on Saturdays and Sundays, until further notice. To contact Creekside Staff, please call (320) 587-6762.

Liquor Hutch – Effective Monday, March 30, store hours will be changing.
