City Council Moves Meeting Location Back to City Center

Due to technological issues at the Event Center, the City Council will be moving their regular monthly meetings back to the City Center at 111 Hassan Street SE. This meeting location change is effective for the April 28 city council meeting. The City Council will continue to meet at its regular meeting time of 5:30 p.m. on the second and fourth Tuesday of the month. To ensure social distancing, the City Council will be attending these meetings virtually for the foreseeable future.

Even with the City Council meeting virtually, city staff will be available at the City Center during meeting times to meet legal requirements for virtual meetings and to ensure members of the public can hear all discussion, testimony, and votes of the council members. While these meetings will continue to be open to the public, the city council would encourage people not to attend if they do not have to and to follow the proceedings of the meeting via the local access channels through HCVN or by streaming the meetings at <http://www.hcvnonline.com/video-streaming.html>

Residents who do not want to attend a council meeting, but would like to provide feedback on a given agenda item, can email their council members directly with questions/comments. Council profiles (including emails), agendas and packet information can be found under the City Council page on the City's website at <http://www.ci.hutchinson.mn.us/city-council/>
