

The Hutchinson Fire Department will be accepting homemade masks on Saturday April 25th from 10am-2pm. These homemade masks will then be redistributed to local congregate living facilities in need.

Below is an update on the COVID-19 pandemic as it pertains to Minnesota as of 5:00 PM on 4/19/2020.

Updates from the Governor

The Governor and Lt. Governor continue to encourage Minnesotans to create homemade masks for donation to support the workers on the front lines of the COVID-19 pandemic.

On Saturday, April 25 from 10 a.m. to 2 p.m., Minnesotans can deliver homemade masks to their local fire department. Fire departments will then deliver the masks to local congregate living facilities for their employees and residents to wear.

There is no standard design for a homemade facemask, but if you're looking for inspiration, recommendations or more information you can visit our [mask drive website](#).

Note: Please enter through the east parking lot entrance at the fire station 205 3rd Ave. SE, Hutchinson to drop off masks. This event is for dropping off (donating) homemade masks only; there will be NO masks available for pick up.

Thanks to everyone in advance for your donation!
