

Highway 15/Main Street Reconstruction in Hutchinson

Installing sidewalk on Main Street between 2nd Avenue North and 1st Avenue North.

During construction this week

- Finished pouring concrete intersection of Highway 15 and Washington Avenue (pictured at right).
- Started installing sanitary sewer and water main from 1st Avenue South to 2nd Avenue South.
- Began installing sidewalks from 2nd Avenue North to Washington Avenue.
- Paved a tie-in for the Highway 15 and Washington Avenue intersection.
- The Washington Avenue crossing at Highway 15 opened Thursday midday.
- Continued to remove old roadway through 2nd Avenue South.

What's happening next

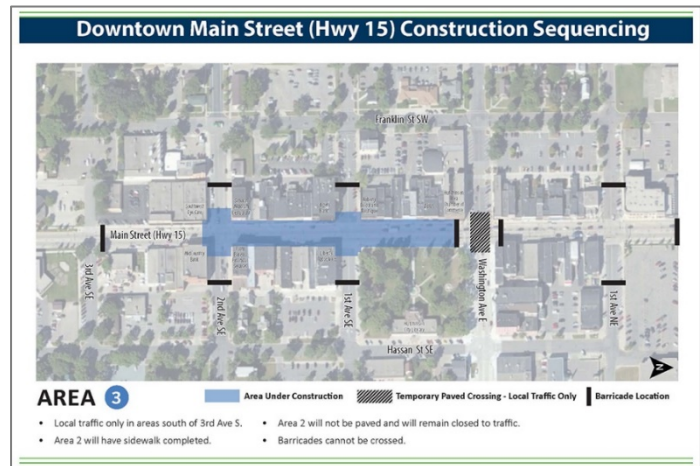

- We will continue installing the sidewalks from 2nd Avenue North through Washington Avenue.
- We will be working on utilities from 1st Avenue South through 2nd Avenue South.

Getting from here to there

Reconstruction in the downtown area is taking place in stages. While Highway 15 remains closed during the project, working in stages keeps as many intersections and sidewalks open for as long as possible. We are currently in Stage 3.

During Stage 3

- Work takes place at the intersections of Highway 15 with 1st Avenue South and 2nd Avenue South.
- The area is closed to vehicle traffic from all directions.
- Crosswalks in the work zone are closed to pedestrian traffic.
- Sidewalks will remain open for business access when possible. Check with businesses for the best entrance to use during construction.
- Customer parking is available on streets and in parking lots on the back side of Highway 15/Main Street businesses.
- Local traffic only in areas south of 3rd Avenue South.
- People can use Franklin and Adams Streets to get to homes and businesses.
- People can cross Highway 15 at Washington Avenue and 5th Avenue South.
