

**MAY 6TH-8TH 4-8PM &  
MAY 11TH 9AM-3PM  
COMPOSTABLE BAG PICK UP @  
MCLEOD COUNTY FAIRGROUNDS IN  
HORTICULTURE BUILDING**

**NEW! SMALL BAGS FOR A BIG DIFFERENCE!**

**WHY SMALLER BAGS?**

You asked for smaller bags for food scraps collection, and we delivered! Together, we are reducing organics cart contamination.

**GET A FREE GIFT!**

Pick up your new smaller BPI certified compostable bags and get a FREE kitchen counter bin to collect your food scraps. The bin is the perfect size for the new bags! Bins will only be available while supplies last and **ONLY** at the bag pick-up event.

**JOIN THE MAJORITY!**

2 out of 3 Hutchinson households are already successfully using their organics carts the right way by only adding compostables. Let's make it 3 out of 3!

- Prefer large bags? You can purchase BPI certified compostable bags from Ace, Target or online.
- Bags are only for households signed up for the City organics collection service. No commercial or business accounts.

**Please fill out this form before pick-up to ensure a quick and smooth visit. We're excited to see you there!**
