

MAY 5TH, 6TH, AND 7TH 4PM – 6:30PM & MAY 10TH 9AM – 1PM COMPOSTABLE BAG PICK UP @ MCLEOD COUNTY FAIRGROUNDS HORTICULTURE BUILDING

COMPOSTABLE BAGS

This form will provide each household, signed up for City organics collection service, two rolls of certified compostable bags for food scrap collection.

In addition, large 13 gallon compostable bags will be available for purchase for \$3 a roll/cash at the City Center starting on Monday, May 5th.

KITCHEN FOOD SCRAP BINS

Kitchen bins will be available to residents who did not receive one at a previous pick up. Kitchen bins are the perfect size for the City provided compostable bags and make collecting food scraps a breeze.

WE VALUE YOUR OPINION!

We're conducting a short survey to learn more about how Hutchinson residents use their organics cart and what could make composting easier or more effective. Whether you compost regularly or not at all, your input is valuable!

WIN A \$5 GIFT CARD!

Complete the survey by **April 28th** for a chance to win one of several \$5 Target gift cards! It only takes a few minutes – and your feedback helps improve composting in our community.
