603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Hutchinson Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Hutchinson Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

603.2 POLICY

The Hutchinson Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

603.2.1 POST MODEL POLICY

It is the policy of the Department to follow the requirements of the Confidential Informants Model Policy, established and published by the Minnesota Board of Peace Officer Standards and Training (MN POST) (Minn. Stat. § 626.8476).

 1. The execution of informant agreements.
 2. The use of informants in exigent circumstances.

5. The screening of informants for personal safety or mental health concerns before and after their use.
- b. Developing procedures for determining initial and continued suitability, and preparing related reports (e.g., Initial Suitability Report, Continuing Suitability Report).
 1. Procedures should include a process for forwarding the results of initial and continuing suitability determinations to appropriate department members.
 2. The local prosecutor's office should be consulted before engaging individuals who require special review and approval (e.g., juveniles, government officials, those individuals obligated by legal privilege of confidentiality).
- c. Creating a process for identifying individuals who may be or who may become unsuitable to serve as informants (e.g., individuals receiving in-patient or partial-hospitalization treatment for a substance use disorder or mental illness, participating in a treatment-based drug court program or treatment court, having overdosed in the last 12 months, having a physical or mental illness that impairs the ability to understand instructions and make informed decisions).
- d. Working with department members to identify informants who should be referred to prevention or treatment services.

603.4 USE OF INFORMANTS

603.4.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor and/or task force commander. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

603.4.2 JUVENILE INFORMANTS

The use of informants under the age of 18 is prohibited.

Informants

Juveniles under the guardianship of the state may not be used as informants.

603.4.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

603.5 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

1. The identity of an informant acting in a confidential capacity shall not be withheld from the Chief of Police, Shift Supervisor, Investigations Unit supervisor or their authorized designees.
 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
2. Criminal activity by informants shall not be condoned.
3. Informants shall be told they are not acting as police officers, employees or agents of the Hutchinson Police Department, and that they shall not represent themselves as such.
4. The relationship between department members and informants shall always be ethical and professional.
 1. Members shall not become intimately involved with an informant.
 2. Social contact shall be avoided unless it is necessary to conduct an official investigation, and only with prior approval of the Investigations Unit supervisor.
 3. Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
5. Officers shall not meet with informants in a private place unless accompanied by at least one additional officer or with prior approval of the Investigations Unit supervisor.

8. Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

603.5.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will

Informants

be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file “unsuitable” when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- a. The informant has provided untruthful or unreliable information in the past.
- b. The informant behaves in a way that may endanger the safety of an officer.
- c. The informant reveals to suspects the identity of an officer or the existence of an investigation.
- d. The informant appears to be using his/her affiliation with this department to further criminal objectives.
- e. The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- f. The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- g. The informant commits criminal acts subsequent to entering into an informant agreement.

603.6 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Investigations Unit. The Investigations Unit supervisor or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the Chief of Police, Shift Supervisor, Investigations Unit supervisor or their authorized designees.

The InvestigationShift Supervisor should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Investigations Unit supervisor is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

603.7.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.
